

EDEN Meadow Is coming...

Trencreek Farm Country Holiday Park in St Austell was purchased by 3T's Leisure (Surf Bay Leisure). Established in 1905, they are one of the most respected Holiday Home distributors and Park Operators in the country. They already own three other 4 & 5 Star graded holiday parks in Devon & Cornwall and are committed to giving exceptional customer service and are dedicated to the highest standards of quality on all their park developments.

Sympathetic developments

The aim at Trencreek Farm has been to develop the park sympathetically to the surroundings and to the standard they have become accustomed to. Not only have the existing Caravan Holiday Homes been updated, but additional Luxury Timber Lodges have been added to the hire fleet for letting...some of which have Hot Tubs too!

However....the main achievement so far, has been obtaining planning permission for 70 private owner Lodges to be situated in a secluded area of this 56-acre park...with a choice of plots right next to the 4 coarse fishing lakes or overlooking the wetland ponds! Despite this being Surf Bay Leisure's biggest Lodge development yet, the company's proven track record at River Valley Country Park and Ashlea Pools Country Park stands them

in good stead.

This non-working farm boasts 56-acres of idyllic open meadows, woodland and lakes and is just 6 miles from the Eden Project. On - park facilities include Tennis Court, Outdoor Heated Swimming Pool, Fishing Lakes, Farm Animals, Bar, Restaurant and Takeaway.

And....The first phase of the development affectionately known as 'Eden Meadow' sees the release of 21 plots!

Reserve your plot now!

Be one of the first to reserve one of these fantastic positions by calling 01837 680100 to register your interest and arrange a park visit...we'll be able to give you an idea of where your plot could be and what Lodges are available!
