

The perfect country lodge retreat

If you could describe your perfect 'away from it all' destination it may well resemble Herons Brook Golf and Fishing Retreat - a luxury lodge development nestling in a quiet, secluded valley near Narberth in the south west corner of Wales.

Owners David and Marian John, who live at Herons Brook in a Wessex Deckhouse lodge, are offering Wessex Milbourne Classic and Milbourne Contemporary lodges for sale, complete with decking and integral hot tub:

"This is such a special place that we wanted lodges that wouldn't detract from the beautiful scenery and the feeling of being at one with nature" explained Marian. "The Wessex lodges we have chosen have every home comfort and convenience and are very luxurious, yet they still manage to blend beautifully into the surrounding landscape."

Whilst Herons Brook is the perfect place to sit and ponder, it is also the ideal location for those who enjoy being more active in the great outdoors. The lodges nestle in 30 acres of private land comprising a well-stocked trout lake, ancient woodland, mature gardens and an 18-hole par 65 golf course.

Lodge owners can wake up to birdsong in the morning, take a leisurely stroll or cycle through the woods after breakfast, play a round of golf in the afternoon and then watch the sun go down as they sit quietly catching trout for supper, or enjoy a glass of wine as they relax in their very own hot tub.

The pretty town of Narberth and stunning coastline are just minutes away, other places of interest including Cwm Deri Vineyard one of Wales' foremost visitor attractions, are within a short drive of the lodge park.
