The holiday centre recently underwent a multi-million pound investment project which included the creation of a pedestrianised piazza - providing the perfect central location for many onsite facilities.

The pedestrianised heart is home to the Woodside Inn and the New Forests' newest restaurant - The Bistro, a Mediterranean-inspired eatery that serves delicious breakfast, lunch and dinner menu options using the finest New Forest Marque products.

Sandy Balls can be found in the country's newest National Park, the ancient hunting ground of kings, the New Forest and is only a stones throw away from many local attractions and museums such as Beaulieu, Bucklers Hard and the historic village of Lyndhurst.

Relax Revive Rejuvenate

Enjoy a gentle forest stroll by the tranquil waters of the River Avon or a gentle workout at the newly-refurbished Leisure Club gym, followed by a dip in one of the pools.

Guests can choose to relax, revive and rejuvenate during their break by enjoying a gentle forest stroll by the tranquil waters of the River Avon or a gentle workout at the newly-refurbished Leisure Club gym, followed by a dip in one of the pools. They can also enjoy a beauty or massage treatment at tempus, the onsite therapy suite.

For the more adventurous, visitors can take their pick from horse riding, fishing or mountain-biking - the new and improved Cycle Centre and its dedicated team

has everything visitors need for a fantastic two-wheeled experience through the beautiful forest routes. The Cycle Centre carries out full bike repairs and servicing and has a choice which ranges from tandems to tag-alongs and mountain bikes to trailers - are all for hire!

Sandy Balls Holiday Centre boasts a wide range of accommodation to suit everyone including luxury timber lodges, the famous pet-friendly superior doggy lodges, caravan holiday homes, touring pitches and ReadyTents - where all you need to bring along is a sleeping bag!
